CHAPTER 3 Water Supply

Section 17 Local authority to provide potable water

(1) Every local authority may, and if the Government so direct shall, provide or arrange for the provision of a sufficient supply of drinking water for consumption by the inhabitants of the area within its

jurisdiction.

(2) The local authority shall, so far as may be practicable, make adequate provision for securing

(a) that the water supply is continuous throughout the year, and

(b) that the water supplied is at all times wholesome and fit for human consumption.

(3) A local authority may also provide or arrange for the provision of a sufficient supply of water for other domestic purposes or for non domestic purposes.

Section 18 Power of Government to direct local authority to execute water work

(1) If in the opinion of the Government, a local area does not possess a sufficient supply of wholesome water fit for the consumption of its inhabitants, they may direct the local authority concerned, either singly or in combination with the local authority or authorities having jurisdiction over any local area or areas in the neighbourhood which are similarly situated to execute within such time as the Government may fix, such works as may be directed by the Government for providing a sufficient supply of wholesome water fit for human consumption.

(2) A local authority may, with the previous sanction of the Government

(a) construct, lay, or erect filters, reservoirs, engines, conduits, pipes

or other works without the limits of its local area for supplying such area with water;

(b) purchase or take on lease any water work, or any water, or any right to store or to take or convey water, either within or without the limits of its local area; and.

(c) contract with any local authority or other person or agency for the supply of water.

(3) A local authority may, with the previous sanction of the Government, by public notice, declare any lake, stream, spring, well, tank, reservoir pond, or other source of water supply, whether within or without the limits of its local area (other than a source under the control of the Government), from which water is or may be made available for the use of the public in the local area for domestic purposes, to be a source of public water supply for such purposes and every such source shall thereafter be under the control of the local authority, only to the extent necessary for such purposes.

Section 19 Power of Government to divert water from water main belonging to a local authority

The Government shall have power to take water from any water main belonging to, or in the control of, a local authority for supplying water to any other area, subject to such payment being made to the local authority concerned and subject also to such other conditions as the Government may consider reasonable:

Provided that before taking action under this section the Government shall communicate to the local authority the grounds on which they propose to do, so fix a reasonable period for the local authority to show cause against the proposal, and consider its explanations or objections, if any.

Section 20 Power of Collector in regard to water supply

(1) The Collector of the district, or any other officer appointed by the Government in this behalf, may cause inquiries to be made in any local area or part thereof, with a view to ascertaining

(a) whether the source of water supply for such local area or part is contaminated from any cause against which effective means of protection can be taken, and

(b) whether the provision of any additional source or sources of water supply is necessary for such local area or part.

(2) The Collector or other officer aforesaid may, after taking into consideration the result of such inquiries, by notice, direct that any source or water supply be cleaned, improved repaired or otherwise protected from contamination, or that such additional source or sources of water supply be provided, as the case may be:

Provided that before issuing a notice under this sub section, the Collector or other officer shall give the authorities or persons affected, a reasonable opportunity to make any representations they may wish to make and consider the same.

(3) Against any direction issued by the Collector or other officer under sub section (2), an appeal shall lie to the Government whose decision shall be final.

(4)

(a) Every notice issued under sub section (2) shall specify the nature and extent of the works to be executed, the estimated cost thereof and the authority or authorities or the person or persons by whom, and the period within which, they are to be executed.

(b) The notice shall either

(i) be published in the prescribed manner; or

(ii) be served on the local authority or on the person owning or having control over the source of water supply, as the case may be, in the prescribed manner.

(5) If the directions contained in any notice issued under sub section (2) have not been satisfactorily complied with, the officer issuing the notice may himself cause the works specified in the notice to be executed, provided that he may, on sufficient cause being shown, extend the period specified in the notice, or modify or rescind any direction contained therein.

(6)

(a) If a water tax is imposed in the local area, the cost of carrying out the works specified in the notice issued under sub section (2), whether such works are executed by the authority or person specified therein or under sub section (5) by the officer issuing the notice, shall be borne by the local authority concerned.

(b) If no water tax is imposed in the local area such cost shall be borne by the inhabitants of the local area, who, on inquiry, are found to be benefitted by the works or shall be shared between such inhabitants and the local authority concerned in such proportions as may be determined by the Government.

Explanation:- For the purposes of this sub section, water tax, means

- (a) a tax levied under Section 25 of this Act, or
- (b) a water and drainage tax levied under Section 81 (1) (b) of the Andhra Pradesh (Andhra Area) District Municipalities Act, 1920, or
- (c) a tax levied under Section 75(2) of the Andhra Pradesh (Andhra Area) District Boards Act, 1920, for the specific purpose of executing, maintaining or improving any work for the supply of water, or
- (d) an additional house tax levied under Rule 19 of Schedule IV to the Andhra Pradesh (Andhra Area) District Boards Act, 1920, for the purposes of providing a water system or a combined water and drainage system.

Section 21 Power of Director of Public Health to direct local authority to improve water supply

If the Director of Public Health is satisfied upon investigation that any source of public water supply in a local area is contaminated or is subject to imminent risk of contamination by reason of unsatisfactory location, protection, construction, operation or maintenance, and speedy remedy or immediate prevention is, in his opinion, desirable, he may, by order, direct the local authority to take such measures as may be specified therein; and the local authority shall take action accordingly.

Section 22 Railway administrations to submit samples of drinking water for analysis

In the case of any railway in the Andhra Area of the State of Andhra Pradesh, the Government may, by general or special order require the authority administering the railway to submit for analysis to such person or institution, in manner and at such intervals, as may be

prescribed, samples of drinking water supplied by such authority at any stations or station on such railway. For such analysis, the authority aforesaid shall pay to the Government such fee as may prescribed by them.

Section 23 Rules of the protection and periodical examination of water supply

The Government shall have power to make rules providing for the protection and periodical examination of sources of water supply in the State.

Section 24 Health Officer's powers in regard to insanitary sources

(1) The Health Officer may at any time by written notice require that the owner of, or any person having control over, any lake, spring, well, tank reservoir, pond or other source of water supply which is used for drinking, bathing, or washing clothes shall, whether the same is private property or not, within a reasonable time to be specified in the notice, or in any case falling under Clause (d), within such time as may be specified in the notice not being less than thirty six hours from the receipt thereof

(a) keep and maintain any such source of supply in such manner as the Health Officer may direct: or

(b) cleanse any such source of water supply from silt, refuse and vegetation: or

(c) protect any such source of water supply from pollution by surface drainage in such manner as the Health Officer may direct; or

(d) fill in repair, protect or enclose in such manner as the Health Officer may direct, any such source of water supply, if for sufficient repair, protection or enclosure, such source of water supply is in his opinion dangerous to the health or safety of the public or any persons having occasion to use to or pass or approach the same; or

(e) desist from using, and from permitting others to use, for drinking purposes any such source of water supply if, in the opinion of the Health Officer, the water is unfit for drinking: or

(f) close any such source or water supply either temporarily or permanently, or fill up, enclose or fence the same in such manner as the Health Officer considers sufficient to prevent the use thereof for drinking purposes, if in his opinion the water is unfit for drinking; or

(g) drain off or otherwise remove from any such source of water supply, or from any land or premises or receptacle or reservoir attached or adjacent thereto, any stagnant water which the Health Officer considers to be either injurious to health or offensive to the neighbourhood:

Provided that the provisions of Clauses (a) and (d) shall not apply to a stream: Provided further that a notice shall not be issued under Clause (f) unless a notice has first been issued under Clause (e) and the source of water supply in question continues to be used for drinking purposes notwithstanding the issue of such notice, and the Health Officer considers that such use cannot be prevented otherwise than by the issue of notice under Clause (f).

(2) If the owner or person having control as aforesaid fails or neglects to comply with any notice issued under sub section (1) within the time specified therein, the Health Officer may, if immediate action is necessary to protect the health or safety of any person or persons, at once proceed to execute the work specified in such notice: and all the expenses incurred in respect thereof by Health Officer shall be paid by the owner, or person having control over such source of water supply and shall be recoverable as if it were a tax due to the local authority concerned:

Provided that in the case of any private source the water of which is

used by the public or by any section of the public as of right, the expenses which have been incurred by the Health Officer or which in the opinion of the local authority have been necessarily incurred by the owner of, or person having control over, the source of water supply shall be paid from funds of the local authority.

Section 25 Levy of water tax and earmarking the proceeds for waterworks

(1) Any local authority may with the previous sanction of the Government and shall, if so directed by them, levy within its area or any part thereof, any tax which may be necessary for providing water supply in such area or part.

(2) Any tax levied under sub section (1) may be a new tax levied on such basis assessed and realized in such manner as may be sanctioned or directed by the Government, or may be tax or additional tax levied under any head of taxation specified in any law for the time being in force governing the local authority concerned in which case all the provisions of such law relating to the incidence, assessment or realization of a tax under such head or in any manner connected therewith shall be applicable to the tax or additional tax, with such modifications and restrictions, if any, as may be prescribed.

(3)

(a) The rates at which any tax may be levied under this section shall be determined by the local authority with the previous sanction of the Government in case the tax is levied by the local authority of its own motion, and by the Government in case the tax is levied at their direction.

(h) The local authority may with the previous sanction of the

Government and shall, if so directed by them, alter the rates at which any such tax is to be levied.

(4)

(a) Every local authority levying a tax under this section shall earmark the net revenue therefrom for expenditure on the execution, maintenance and improvement of works of water supply in the local area or part thereof within which it is levied.

(b) Such revenue shall be expended in accordance with such orders as may be issued by the Government in this behalf.

(5) Nothing contained in this section shall be deemed to affect the power of any municipality governed by the Andhra Pradesh (Andhra Area) District Municipalities Act, 1920, to levy a water and drainage tax under Section 81 (1) (b) of that Act, or of any Local Boards Act, 1920, to levy an additional house tax under Rule 91 of Schedule IV to that for any purpose specified in that rule.

Section 26 New house not to be occupied without adequate water supply

No owner of any dwelling house which may be constructed or reconstructed after the commencement of this Act, in any urban local area shall occupy it, or cause or permit it to be occupied until he has obtained a certificate from an Officer of the Public Health Department of the local authority concerned, not below the rank of Health or Sanitary Inspector, that there is within the house, or within a reasonable distance therefrom, a supply of wholesome water sufficient for the domestic purposes of the inmates of the house.

CHAPTER 4 Drainage

Section 27 Local authority to maintain public drains

(1) Every urban local authority shall, so far as the funds at its disposal may permit, provide and maintain a sufficient and satisfactory system of public drains for the effectual draining of its local area.

(2) If, in the opinion of the Government, any local area or part thereof should, for any special reason, be provided with a system of public drains or with any other means of drainage, they may direct the local authority to provide or execute, within such time as may be fixed by them in this behalf, such works as may be considered necessary by them.

(3) The local authority shall at all times keep in good repair all drains, cesspools and the like vested in or belonging to it.

Section 28 Power of Health Officer to require drains to be constructed

(1) If any premises are in the opinion of the Health Officer without sufficient means of effectual drainage, he may, by notice, direct the owner of such premises to construct a drain leading therefrom to the nearest public drain or other place set apart by the local authority for the discharge of sewage; Provided that

(a) the cost of constructing that portion of drain which is situated more than

one hundred feet from the said premises shall be paid from out of the funds of the local authority concerned; and

(b) if, in the opinion of the Health Officer there is no public drain or other place set apart for the discharge of sewage within a reasonable distance of such premises, he may, by notice require the owner of the premises to construct

(i) a closed cesspool, tank filter or other work of such material, size and description, as he may direct; and

(ii) a house drain communicating with such closed cesspool, tank, filter other work.

(2) Where by reason of a local authority changing its system of drainage or undertaking a new system of drainage, it becomes necessary for the owner of any premises to reconstruct or alter any drain, the cost of the reconstruction or alteration of such drain shall be borne wholly by the local authority, or wholly by the owner, or partly by the local authority and partly by the owner in accordance with such rule as may be prescribed.

Section 29 Drains in private streets

Where a house drain belonging to one or more premises has been laid in any private street which is common to more than one premises and the Health Officer considers it desirable that any other premises should be drained into such drain he may, by notice require the owner of such premises to connect his house drain with such first mentioned drain; and the owner or owners of such first mentioned drain shall thereupon be bound to permit such connection to be made:

Provided that no such connection shall be made -

(a) except upon such terms as may be mutually agreed upon between

or among the owners concerned, or

(b) in default of such agreement, except upon such terms as may be laid down by the local authority and in particular, until any payment which may be directed by the local authority to be made to the owner or owners concerned, has been duly made.

Section 30 Drainage for huts

(1) Drains for the drainage of huts shall be of such description and be constructed of such materials, as may be considered by the Health Officer to be practicable, having regard to the circumstances of the locality and the nearest public drain or other place set apart by the local authority for the discharge of sewage.

(2) If the Health Officer considers that a new drain should be constructed for the benefit of the occupants of any hut, he may by notice require the owner of the land on which such hut stands to construct such drain and such owner shall construct such drain, and cause it to be cleansed and repaired to the satisfaction of the Health Officer.

Section 31 Drainage of court yard, alley passage, etc.

For the purpose of efficiently draining any land or building the Health Officer may, by notice, require the owner of any court yard, alley land, passage or open space

(a) to pave the same with such material and in such manner as may be approved by the Health Officer and to keep such paving in proper repair; or

(b) to raise the level of such court yard, alley, lane, passage or open space. Explanation:- It shall be open to the Health Officer to require that in any case both the measures specified in Clauses (a) and (b) of this section shall be taken.

Section 32 Construction and closure of cesspools

(1) No person shall construct a cesspool:

(a) beneath any part of any building or within fifty feet of any tank, reservoir, water course or well or within such other distance therefrom as the Health Officer may consider to be practicable having regard to the circumstances of the locality; or

(b) within any local area, or outside such area but within three hundred feet of any reservoir used for the storage of filtered water to be supplied to such area, except upon a site and in a position which have been approved in writing by the Health Officer.

(2) The Health Officer may, at any time, by notice, require any person within whose premises any cesspool is constructed in contravention of sub section (1) to remove such cesspool or to fill it up with such material as may be approved by him.

Section 33 Prohibition of occupation of new building without drains

No owner of any building constructed or reconstructed after the commencement of this Act in any urban local area shall occupy it, or cause or permit it to be occupied, until he has obtained a certificate from the Health Officer that the building has been provided with

sufficient means of drainage.

Section 34 Sullage or sewage not to be let out into streets

No person having control over any building or land shall cause or allow

(a) the water of any sink, sewer, latrine or sanitary convenience or any other liquid or other matter which is, or is likely to become, offensive, to run or drain into or to be thrown to put upon, any street or open space or to soak through any external wall; or

(b) any offensive matter from any sewer, latrine or sanitary convenience, to run, drain or be thrown into a surface drain in any street.

Section 35 Injurious refuse not to be discharged into public drains

No person shall, save as may be generally or specially prescribed, throw, empty, or suffer or permit to be thrown, emptied or turned or to pass, into any public drain or into any drain communicating with a public drain

(a) any matter likely to injure the drain or to interfere with the free flow of its contents, or to affect prejudicially the treatment and disposal of such contents; or

(b) any liquid being refuse or stream or other liquid which is either alone or in combination with the contents of the drain, dangerous, or the cause of a nuisance, or prejudicial to health; or

(c) any explosive or inflammable substance.

Section 36 Pollution of water courses prohibited

No person shall, save as may be generally or specially prescribed

(1) put, or cause to be put, or cause to fall or flow or be carried, or knowingly, permit to be put or to fall or flow or be carried, into any water course

(a) any solid or liquid sewage matter, or

(b) any poisonous, noxious or polluting liquid proceeding from any manufactory or manufacturing process, or

(2) put, or cause to be put, or cause to fall or be carried, or knowingly permit to be put or to fall or be carried, into any water course, so as, either singly or in combination with other similar acts of the same or any other person to interfere with the due flow of such water course, or to pollute the water therein, the solid refuse of any manufactory, manufacturing process or quarry, or any rubbish or cinders, or any other waste or putrid solid matter, or

(3) commit nuisance in or in the neighbourhood of any water course.

CHAPTER 5 Sanitary Convenience

Section 37 Obligation of local authority to provide public

sanitary conveniences

Every local authority shall provide and maintain in proper and convenient places a sufficient number of sanitary conveniences for the use of the public and cause all such places to be kept in proper order so as not to be a nuisance or injurious to health.

Section 38 New houses to be provided with sanitary conveniences

If in any local area any building intended for human habitation is constructed or is reconstructed after being pulled down to or below the ground floor, the owner thereof shall provide such sanitary conveniences and in such positions as the Health Officer may, by notice, require.

Section 39 Additional sanitary conveniences

(1) If any building intended for human habitation is without any sanitary convenience or if in the opinion of the Health Officer, the sanitary convenience or conveniences provided therein are insufficient, having regard to the number of persons occupying the buildings, or are inefficient, or are objectionable on sanitary grounds, he may, by notice in writing require the owner of such building

(a) to provide such sanitary conveniences or such additional sanitary conveniences and in such positions, as may be specified in the notice; or

(b) to make such structural or other alterations as may be specified in

the notice.

(2) Every owner of the ground on which a group of six or more huts stand shall provide such latrine accommodation, in such positions, and within such time as the Health Officer may, by notice, require, for the use of the inhabitants of such group of huts.

Section 40 Mode of construction of latrines

(1) All latrines shall

(a) be so constructed as to screen persons using the same and filth from the view of persons by or residing in the neighbourhood; and

(b) be maintained, repaired, altered and used in accordance with the rules and by laws made under this Act.

(2) If any latrine opening on any street, whether such latrine be erected before or after the commencement of this Act, is so placed or constructed as to be a nuisance or offensive to public decency, the Health Officer may, by notice in writing, require the owner to remove it or to carry out such improvements therein and within such time as may be specified in the notice.

(3) When any latrine is used in common by the occupiers of two or more premises or by the members of two or more families, no person shall injure or improperly foul any such latrine or anything used in connection therewith.

CHAPTER 6 Abatement of Nuisances

Section 41 Certain things to be nuisances

Without prejudice to the generality of the definition of the expression nuisance contained in Clause (25) of Section 3, the following shall be deemed specifically to be nuisances for the purposes of this Chapter:

(1) any premises in such a state as to be prejudicial to health or a nuisance;

(2) any pond, pool, ditch gutter, water course, water trough, latrine, cesspool, drain or ash pit which is so foul or in such a state as to be prejudicial to health or a nuisance;

(3) any animal kept in such a place or manner as to be prejudicial to health or a nuisance;

(4) any accumulation or deposit of refuse or other matter which is prejudicial to health or a nuisance:

(5) any factory (not being a factory governed by the provisions of the Factories Act, 1934) work shop or work place, which is not provided with sufficient means of ventilation, or in which sufficient ventilation is not maintained, or which is not kept clean or not kept free from noxious effluvia, or which is so over crowded while work is carried on as to be prejudicial to the health of those employed therein;

(6) any fire place or furnace which does not as far as practicable consume the smoke arising from the combustible used therein, and

which is used for working engines by steam, or in any mill, factory, dyehouse, brewery, bakehouse or gaswork, or in any manufacturing or trade process whatsoever;

(7) any chimney sending forth smoke in such quantity as to be a nuisance; and

(8) any noise, vibration, dust, cinders, irritating smell or offensive odour produced by a factory, work shop or work place which is a nuisance to the neighbourhood.

Section 42 Detection of nuisance

Every urban local authority shall,

(a) cause its local area to be inspected from time to time with a view to ascertain what nuisance exists therein calling for abatement under the powers conferred on such authority by this Act; and

(b) enforce the provisions of this Act in order to abate such nuisances.

Section 43 Information regarding nuisance

Any person aggrieved by a nuisance in any local area may give information of the same to the Health Officer or any other officer of the public health establishment of the authority.

Section 44 Power of Health Officer to abate nuisance

If the Health Officer is satisfied, whether upon information given under Section 43 or otherwise of the existence of a nuisance, he may, by notice require the person by whose act, default or sufferance the nuisance arises or continues, or, if that person cannot be found, the owner or occupier of the premises on which the nuisance arises or continues to the nuisance and to execute such works and take such steps as may be necessary for that purpose:-

Provided that -

(a) where the nuisance arises from any defect of a structural character, the notice shall be served on the owner of the premises: and

(b) where the person causing the nuisance cannot be found and it is clear that the nuisance does not arise or continue by the Act, default or sufferance of the owner or the occupier of the premises, the Health Officer may himself forthwith do what he considers necessary to abate the nuisance and to prevent a recurrence thereof.

Section 45 Power of local authority to abate nuisance

If the person, on whom a notice to abate a nuisance has been served under Section 44, make default in complying with any of its requirements within the time specified therein, or if the nuisance, although abated within such time is, in the opinion of the local authority, likely to recur on the same premises the local authority may arrange for the execution of any work necessary to abate the nuisance or to prevent its recurrence, as the case may be, and may recover the cost from such person as if it were a tax due to the local authority.

Section 46 Provision regarding house rendered unfit for

occupation by reason of nuisance

Where a house or other building is in the opinion of the Health Officer, unfit for human habitation by reason of a nuisance existing therein, he may apply to a Magistrate (not being a Magistrate of the third class) to prohibit the use of such house or building for human habitation until it is rendered fit therefor.

Section 47 Disposal of articles removed while abating nuisance

(1) A Local authority may sell any materials which have been removed by it from any premises (including any street), when executing work under this Chapter or otherwise carrying into effect the provisions thereof, if such materials are not claimed and taken away by the owner before the expiration of seven days from the date on which they were removed by the local authority.

(2) A local authority selling any materials under sub section (1) shall pay the sale proceeds to the person to whom the materials belonged, after deducting therefrom the amount of any expenses recoverable from him by such authority.

(3) The provisions of this section shall not apply to any offensive matter removed by a local authority under the Act governing such authority.

Section 48 Power of entry any inspection

The Executive Authority or any officer of the Public Health Department of the Government or of the local authority, not below the rank of Health or Sanitary Inspector, may enter and inspect any premises for the purpose of enforcing any of the provisions contained in this Chapter.

Provided that -

(a) No such entry shall be made between sunset and sunrise except when a nuisance is caused by anything done or omitted to be done in the premises between sunset and sunrise;

(b) no dwelling house shall be so entered without the consent of the occupier thereof unless he has received at least twenty four hours previous notice of the intention to make such entry;

(c) sufficient notice shall, in every case, be given to enable the inmates of any apartment appropriated to women to withdraw to some part of the premises where their privacy may be preserved; and

(d) due regard shall be paid, so far as may be compatible with the exigencies of the purpose of the entry, to the social and religious usages of the persons residing in the premises.

Section 49 Power of Government in case of default by Local Authority

If the Local Authority or its Health Officer makes default in doing its or his duty under this Act in regard to the abatement or prevention of nuisances, the Government may authorize any of their officers to perform such duty and for that purpose to exercise any specified powers of the Local Authority or of its Health Officer or of both, in the local area concerned and the expenses incurred by such officers shall be met from the funds of the Local Authority.

Section 50 Nuisance caused by act or omission outside local area

If a nuisance under this Act within or affecting any part of, a local area appears to be wholly or partly caused by some act or default committed or taking place outside such local area, the Local Authority may take or cause to be taken against any person in respect of such act or default any proceedings in relation to nuisances, authorized by this Act in the like cases and with the like incidents and consequences as if the Act or default were committed or took place wholly within such local area.

Section 51 Prohibition of the deposit of rubbish, etc. in street, etc.

(1) No person shall deposit, or cause or suffer any member of his family or household to deposit any carcasses of animals, any dust, dirt, dung, ashes or refuse or filth of any kind, any animal matter, any broken glass, earthenware or other rubbish, or any other thing which is or may be a nuisance, in any street or in any arch under a street, or in any drain beside a street, or on any open space (not being private property), or on any quay, jetty or landing place, or any part of the sea shore, or on the bank of any water course, except in such receptacles as may be provided or at such places, in such manner and at such hours, as may be fixed by the Health Officer.

(2) No person shall ease himself, or cause, permit or suffer any member of his family or household to ease himself in any such street, arch, drain, open space, quay, jetty, landing place, sea shore or bank aforesaid.

(3) Any person easing himself in any private open space shall

immediately cover up the excreta with earth.

CHAPTER 7 Prevention Notification and Treatment of Diseases

Section 52 Infectious diseases

For this purpose of this Part, infectious disease means (a) acute influenzal pneumonia, (b) anthrax (c) cerebrospinal fever (d) chicken pox (e) cholera (f) diphtheria (g) enteric fever (h) leprosy (i) measles (j) plague (k) rabies (l) relapsing fever (m) scarlet fever (n) small pox (o) tuberculosis (p) typhus or (q) any other disease which the Government may, from time to time, by notification, declare to be an infectious disease either generally throughout the State or in such part or parts thereof as may be specified in the notification.

Section 53 Appointment of additional health staff

(1) In the event of the prevalence or threatened outbreak of any infectious diseases in any local area or of any unusual mortality therein the Local Authority concerned shall provide such additional staff, medicines, appliances, equipment and other things as may, in the opinion of the Health Officer, be necessary for the treatment of such infectious diseases and preventing it from spreading or for investigating the cause of such mortality, and preventing it, as the case may be: Provided that, if the local authority does not agree with the opinion of the Health Officer, the matter shall be referred to the Director of Public Health whose decision shall be final.

(2) In the event aforesaid, if the Health Officer considers that immediate action is necessary in the interests of public health he may

notwithstanding anything contained in sub section (1), appoint such additional staff and obtain such medicines, appliances, equipment and other things as may be necessary; and the expenses incurred in respect thereof shall be met from the funds of the Local Authority.

(3) Every appointment made under sub section (2) shall be reported forthwith to the Executive Authority and by such authority to the Local Authority concerned at its next meeting.

Section 54 Provision and maintenance of isolation hospitals and wards

(1)

(a) The Local Authority may, and if so required by the Government shall, provide or cause to be provided, hospitals, wards or other places for the reception and treatment of persons suffering from infectious diseases.

(b) For the purpose of the reception and treatment of such persons, a Local Authority may,

(i) itself build such hospitals, wards or places of reception or

(ii) contract for the use of any such hospital or part of a hospital or place of reception, or

(iii) enter into an agreement with any person having the management of any such hospital, for the reception and treatment therein of persons suffering from infectious diseases.

(c) For the purpose aforesaid, two or more local authorities may in combination provide a common hospital or place of reception.

(2) A Local Authority shall not be deemed to have discharged its obligation under sub section (1) unless the hospitals, wards or places of reception in question are maintained in accordance with such general or special order as may from time to time be issued by the Director of Public Health.

Section 55 Provisions of ambulances, etc.

A Local Authority may, and if so required by the Director of Public Health shall,

(a) Provide and maintain suitable conveyances, with sufficient attendants and other requisites, for the free carriage of persons suffering from any infectious disease; and

(b) provide proper places and apparatus and establishment, for the disinfection of conveyances, clothing, bedding or other articles which have been exposed to infection; and when any conveyances, clothing, bedding or articles are brought to any such place for disinfection, may cause them, at its discretion, to be disinfected, either free of charge, or on payment of such fee as it may fix.

Section 56 Medical Practitioners to give information of certain infectious diseases

Every medical practitioner who, in the course of his practice becomes cognizant of the existence of any case of enteric fever or tuberculosis in any private or public dwelling place other than a public hospital shall, if the case has not been already reported give information of the same

with the least practicable delay

(a) in municipal areas, to the Executive Authority, the Health Officer or a Sanitary Inspector; and

(b) in non municipal areas, to the Health Officer, a Health or Sanitary Inspector or the Village Headman. Explanation:- In the section, medical practitioner includes a hakim or vaidya, whether registered or not.

Section 57 Prohibition of the use of water from suspected source

(1) If it appears to the Health Officer that the water in any tank, well or other place, if used for drinking or any other domestic purpose, is likely to endanger or cause the spread of any infectious disease, he may, by public notice prohibit the removal or use of the said water generally or for any specified domestic purpose.

(2) No person shall remove or use any water in respect of which any such notice has been issued in contravention of the terms thereof.

Section 58 Removal of infected person to hospital

(1) If it appears to the Health Officer that any person is suffering from an infectious disease and that such person

(a)

- (i) is without proper lodging or accommodation, or
- (ii) is lodged in a place occupied by more than one family, or
- (iii) is without medical supervision directed to the prevention of the spread of the disease, or
- (iv) is in a place where his presence is a danger to the people in the neighbourhood; and

(b) should be removed to a hospital or other place at which patients suffering from such disease are received for treatment, the Health Officer may remove such person or cause him to be removed to such hospital or place.

(2) If any woman who, according to custom, does not appear in public is removed to any such hospital or place -

(i) the removal shall be effected in such a way as to preserve her privacy; and

(ii) special accommodation in accordance with the custom aforesaid shall be provided for her in such hospital or place.

(3) No person shall leave, or be taken away from, any hospital or other place referred to in sub section (1) without the permission of the Medical Officer in Charge or of the Health Officer.

(4) Whoever

(a) obstructs the removal of any person to any hospital or other place

under sub section (1), or

(b) leaves, or takes away any person from any such hospital or place in contravention of sub section (3), shall be punished with imprisonment which may extend to three months, or with fine, or with both.

Section 59 Prohibition of the exposure of other persons to infection

(1) No person who knows that he is suffering from an infectious disease not specified in Part II of this Chapter shall expose other persons to the risk of infection by his presence or conduct in

(a) any market, theatre or other place of entertainment or assembly, or

(b) any school, college, playground or such other place, or

(c) any hotel, hostel, boarding house, choultry, rest house, or club, or

(d) any factory or shop.

Explanation:- A person shall be deemed to know that he is suffering from an infectious disease within the meaning of this sub section if he has been informed by the Health Officer or any other Officer of the Public Health Department of the Government or of a Local Authority, not below the rank of Health or Sanitary Inspector, or a medical practitioner registered under the Andhra Pradesh (Andhra Area) Medical Registration Act, 1914, that he is so suffering.

(2) No person who has the care of a person whom he knows to be suffering from an infectious disease not specified in Part II of this Chapter shall cause or permit that person to expose others to the risk of infection by his presence or conduct in any place referred to in sub

section (1).

Section 60 Infected persons not to engage in certain trades and occupation

No person shall, while suffering from, or in circumstances in which he is likely to spread, any infectious disease

(a) make, carry or offer for sale, or take any part in the business of making, carrying or offering for sale any article of food for human consumption; or

(b) engage in any other occupation without a special permit from the Health Officer of the Local Authority concerned or otherwise than in accordance with the conditions specified therein.

Section 61 Prevention of infectious diseases transmissible from animals

If, in any local area, any infectious disease transmissible to man breaks out or is in the opinion of the Health Officer likely to break out, amongst cattle or other animals, it shall be the duty of the Health Officer to recommend to the Local Authority the adoption of such measures as he may deem necessary for suppressing or mitigating the disease or for preventing the outbreak or threatened outbreak thereof; and the Local Authority shall consider such recommendations and take such action thereon as to it may seem suitable.

Section 62 Notified diseases

In this Part, notified disease means;

(a) cerebro spinal fever,

(b) chicken pox,

(c) cholera,

(d) diphtheria,

(e) leprosy,

(f) measles,

(g) plague,

(h) rabies,

(i) scarlet fever,

(j) small pox,

(k) typhus, or

(1) any other disease which the Government may from time to time by notification declare to be a notified disease for the purposes of this Part either generally throughout the State or in such part or parts thereof as may be specified in the notification.

Section 63 Occupation of houses to prevent the spread of infection

(1) The Health Officer may in case of emergency, with the sanction of the District Collector, enter upon, occupy and use, or depute any person to enter upon, occupy and use, without having recourse to the provisions of the Land Acquisition Act, 1894, any building or place which, in the opinion of the Health Officer, is required, and is suitable for any purposes connected with the prevention or control of infection from a notified disease. Provided that, if the building or place is occupied, notice shall be given in writing to the occupant, or be conspicuously affixed on such building or place, not less than thirty six hours before it is entered upon.

(2) The owner or lessee of such building or place shall be entitled to compensation for any damage or expenses incurred and to a reasonable rent for the period during which it had been occupied or used for any of the purposes referred to in sub section (1). Such compensation and rent shall be fixed by the District Collector.

(3) The Health Officer shall, when any such building or place ceases to be occupied or used for any of the purposes aforesaid, cause it to be thoroughly disinfected and cleansed.

Section 64 Information regarding notified disease

Every medical practitioner who, in the course of his practice, becomes cognizant of the existence of any notified disease in any private or public dwelling other than a public hospital and Every manager of any factory or public building, every keeper of a lodging house, every head of a family and every owner or occupier of a house who knows or has reason to believe that any person in any premises under his management, control or occupation is suffering from, or has died of a notified disease, shall, if the case has not been already reported, give information of the same with the least practicable delay

(a) in municipal areas, to the Executive Authority, the Health Officer or a Sanitary Inspector, and

(b) In non municipal areas, to the Health Officer, a Health or Sanitary Inspector or the Village Headman. Explanation:- In this section, medical practitioners include a hakim or vaidya, whether registered or not.

Section 65 Power of entry of local officers to take preventive measures

(1) The Health Officer or any person authorized by him in this behalf may

(a) at all reasonable hours, inspect with or without assistance any place in which any notified disease is reported or suspected to exist, without notice in the case of factories, work shops, work places, offices, business places and the like and after giving such notice as may appear to him reasonable in other cases, including dwelling houses; and

(b) take such measures as he may consider necessary to prevent the spread of such disease beyond such place.

(2) The powers conferred by sub section (1) on the Health Officer may, in municipal areas, be exercised also by the Executive Authority or any person authorized by such authority.

Section 66 Destruction of hut or shed to prevent spread of infection

(1) If it appears to the Health Officer that the destruction of any hut or shed is necessary to prevent the spread of any notified disease, he may, after giving to the owner and the occupier of such hut or shed such previous notice of his intention as may in the circumstances of the case appear to him reasonable take measures for having such hut or shed and all the materials thereof destroyed.

(2) Such compensation as the Local Authority may consider reasonable, shall be paid to any person who in its opinion sustains loss by the destruction of any hut or shed under the powers conferred by sub section (1), but save as provided in this sub section, no claim for compensation shall lie for any loss or damage caused by any exercise of the powers aforesaid.

Section 67 Closure of lodging houses

If, on the application of the Health Officer, a Magistrate (not being a Magistrate of the third class) is satisfied that it is necessary in the interests of public health that a lodging house or any place where articles of food are sold or prepared, stored, or exposed for sale, or distributed, should be closed on account of the existence or recent occurrence in such lodging house or place of a case of notified disease, the Magistrate may, by order, direct it to be closed until the expiry of such period as may be specified in the order or until it is certified by

the Health Officer to be free from infection.

Section 68 Infected clothes not to be sent to laundry

No person shall -

(1) send or take to any laundry or public wash house or any public water course, tank or well, for the purpose of being washed, or to any place for the purpose of being cleaned, any clothing, bedding, or other article which he knows to have been exposed to infection from any notified disease, unless such article has been disinfected by, or to the satisfaction of, the Health Officer, or a registered medical practitioner, or unless under instructions from such a person, it is sent with proper precautions to a laundry for the purpose of disinfection with notice that it has been exposed to infection; or

(2) place or cause or permit to be placed in any dustbin or other receptacle for the deposit of refuse any matter which he knows to have been exposed to infection from a notified disease and which has not been disinfected:

Section 69 Infected persons not to use public conveyance

(1) No person who knows that he is suffering from a notified disease shall-

(a) enter any public conveyance used for the conveyance of passengers at separate fares, or

(b) enter any other public conveyance, without previously notifying the owner, driver or conductor thereof that he is so suffering.

(2) No person having the care of a person whom he knows to be suffering from a notified disease shall permit that person to be carried

(a) in any public conveyance used for the conveyance of passengers at separate fares, or

(b) in any other public conveyance, without previously notifying the owner, driver or conductor thereof that the person is so suffering.

(3) The owner, driver or conductor of a public conveyance used for the conveyance of passengers at separate fares shall not convey therein a person whom he knows to be suffering from a notified disease, at any time when a passenger not suffering from such disease is being conveyed therein; Provided that a person suffering from a notified disease may be conveyed in the public conveyance aforesaid, in such cases of emergency and subject to such restrictions and safeguards as may be notified by the Government.

(4) The owner or driver of any other public conveyance may refuse to convey therein any person suffering from a notified disease until he has been paid a sum sufficient to cover any loss and expense which will be incurred by reason of the provisions of the next succeeding sub section.

(5) If a person suffering from a notified disease is conveyed in a public conveyance, the person incharge thereof shall as soon as practicable give notice to the Health Officer of the local area in which the conveyance is usually kept and before permitting any other person to enter the conveyance shall cause it to be disinfected.

(6) The Local Authority when so requested by the person incharge of a public conveyance in which a person suffering from a notified disease

has been conveyed shall provide for its disinfection.

Section 70 Letting or sub letting a building occupied by an infected person

No person shall, without a special permit from the Health Officer, let or sub let, or permit or suffer any prospective tenant to enter, a building in which he knows or has reason to know that a person has been suffering from a notified disease, within three months, immediately preceding.

Section 71 Prohibition of the exposure of other persons to infection

(1) No person who knows that he is suffering from a notified disease shall expose other persons to the risk of infection by his presence or conduct in

(a) any street or public place, or

(b) any market, theatre or other place of entertainment or assembly, or

(c) any school, college, playground or such other place, or

(d) any hotel, hostel, boarding house, choultry, rest house, or club or

(e) any factory or shop.

Explanation:- A person shall be deemed to know that he is suffering from a notified disease within the meaning of this sub section if he has

been informed by the Health Officer or any other officer of the Public Health Department of the Government or of a Local Authority, not below the rank of Health or Sanitary Inspector, or a medical practitioner registered under the Andhra Pradesh (Andhra Area) Medical Registration Act, 1914, that he is so suffering.

(2) No person who has the care of a person whom he knows to be suffering from a notified disease shall cause or permit that person to expose others to the risk of infection by his presence or conduct in any place referred to in sub section (1).

Section 72 Forbidding work infected premises

(1) If a case of notified disease occurs on any premises, the Health Officer may, whether the person suffering from the disease has been removed from the premises, or not, make an order forbidding any work to which this section applies, to be given out to any person living or working on those premises or in such part thereof as may be specified in the order, and any order so made may be served on the occupier of the factory from which the work is given out or on any contractor employed by such occupier.

(2) An order under this section may be expressed to be operative for a specified time or until the premises or any part thereof specified in the order have been disinfected to the satisfaction of the Health Officer, or may be expressed to be inoperative so long as any other reasonable precautions specified in the order are taken.

(3) This section applies to the making, cleaning, washing altering, ornamenting, finishing or repairing of wearing apparel any work incidental thereto, and to such other classes of work as may from time to time be notified by the Director of Public Health.

Section 73 Prohibition of use of public library by infected person

No person who knows that he is suffering from a notified disease shall take any book, or cause any book to be taken for his use, or use any book taken, from any public or circulating library.

Section 74 Disposal of bodies of persons dying while suffering from notified disease

(1) No person having the charge or control of the body of any person who has died while suffering from a notified disease shall permit or suffer persons to come unnecessarily into contact with, or proximity to the body.

(2) No person shall, without the sanction in writing of an officer of the Public Health Department of the Government or of the Local Authority concerned, not below the rank of Health or Sanitary Inspector, retain in any premises (elsewhere than in a public mortuary) for more than twelve hours the body of any person who has died while suffering from any notified disease.

(3)

(a) If any such body (not being a body kept in a mortuary) remains undisposed of for more than twelve hours without the sanction referred to in sub section (2), or If the dead body of any person is retained in any building so as to endanger the health of the inmates of such building or of any adjoining or neighbouring building, any Magistrate

may, on the application of any officer referred to in sub section (2), order the body to be removed and disposed of within a specified time.

(b) A Magistrate may, in the case of the body of a person who has died while suffering from a notified disease, or in any other case in which he considers the immediate disposal of the body necessary, direct the body to be so disposed of, unless the friends or the relatives of the diseased undertake the disposal of the body within a time specified in the order.

(c) The expenses of the removal and disposal of any body under Clause (a) or Clause (b) shall be borne by the Local Authority; but such expenses may be recovered, as if it were a tax due to it, by the Local Authority from any person who would have been legally liable therefor but for such removal and disposal, unless in the opinion of the Local Authority he is too poor to do so.

(4)

(a) If any person dies in a hospital or a place of temporary accommodation for the sick while suffering from a notified disease, and the Health Officer certified that in his opinion it is desirable, in order to prevent the spread of infection that the body should not be removed from such hospital or place except for the purpose of being taken direct to a burial or burning ground or a crematorium for being forthwith buried or cremated no person shall remove the body from the hospital or place except for such a purpose.

(b) When the body is removed for the purpose aforesaid, it shall forthwith be taken direct to a burial or burning ground or a crematorium, and there be buried or cremated with the least practicable delay.

(5) Without the permission of the Health Officer, or a Magistrate, no person shall cause or permit to be carried in a public conveyance the dead body of any person who has died while suffering from a notified disease.

Section 75 Power of Magistrate to prohibit an assembly of more than fifty persons

In the event of the prevalence of a notified disease in any local area, on the application of the Health Officer, any Magistrate, not being a Magistrate of the third class, having local jurisdiction shall have power to prohibit either generally, or by special order in any individual case, assemblages consisting of any number of persons exceeding fifty, in any place whether public or private or in any circumstances, or for any purpose, if in his opinion such assemblages in such place, in such circumstances, or for such purpose, would be likely to become a means of spreading the disease or of rendering it more virulent.

Section 76 Power of Government to confer special powers on officers to control notified diseases

(1)

(a) In the event of the prevalence or threatened outbreak of a notified disease in any place or area, the Government may declare that such place or area is visited by, or threatened with, an outbreak of such disease.

(b) The power conferred on the Government by Clause (a) may also be exercised, in the case of a place or area situated in a district, by the Collector of the District subject to the control of the Government.

(c) Any declaration made by the Government under Clause (a) or withdrawal thereof in whole or in part shall be published in the Andhra Pradesh Gazette and shall come into operation on the date of such publication.

(d) any declaration made by the Collector under Clause (b) or

withdrawal thereof in whole or in part shall be published in the District Gazette, and shall come into operation on the date of such publication.

(2) When a declaration under Clause (a) or Clause (b) of sub section (1) comes into operation and until it is withdrawn, the Collector of the District or any person duly authorized by him by general or special order, or if empowered in this behalf by rules made under this Act, the Health Officer any other officer of the Local Authority concerned or any officer of the Government other than the Collector may, subject to such exceptions, restrictions, limitations and conditions and to such control as may be prescribed, either generally or in the case of the notified disease to which the declaration relates, exercise the following powers, namely:

(a) power to order the evacuation of infected houses and houses adjoining them or in their neighbourhood, or generally of all houses in an infected locality;

(b) power to make vaccination and preventive inoculations compulsory subject to the provisions of sub section (3);

(c) power to direct

(i) that persons arriving from places outside the local area, or residing in any building adjacent to, or in the neighbourhood of an infected building shall be examined by any specified medical officer or by any one of a specified class of medical officers;

(ii) that the clothing, bedding or other articles belonging to such persons shall be disinfected if there is reason to suspect that they have been exposed to infection; and

(iii) that any such person shall give his address and present himself daily for medical examination at a specified time and place, for a period not exceeding ten days;

(d) power to take such measures as may be necessary

(i) in respect of, or in relation to; persons exposed to infection from any notified disease, or likely to infect other persons with any such disease, and

(ii) in respect of, or in relation to articles exposed to infection from any notified disease, or likely to infect persons with any such disease, including, in case (i), the placing of restrictions on the movements of such persons, and in case (ii) the destruction of such articles and the placing of restrictions on their export from, import into, or transport within, the local area;

(e) power to direct that at any place within or outside the local area, any consignment of grain exported from or imported into, such area by rail, road or otherwise, shall be examined and, if necessary, unloaded and disinfected in any specified manner; and

(f) power to close all or any existing markets and to appoint special places where markets may be held.

(3)

(a) If any person who, or a child in whose care, is sought to be vaccinated or inoculated in pursuance of the power referred to in Clause (b) of sub section (2), declares before a Magistrate specially empowered by the Government in this behalf that as a result of a careful inquiry into the subject, he believes that such vaccination or inoculation will be injurious to his health or the health of the child, as the case may be, the Magistrate may, after giving notice to the Health Officer and hearing any representations made by him or on his behalf, exempt such person or child from vaccination or inoculation, on condition of the person aforesaid undertaking to subject himself and the members of his family to isolation of such description and for such period and to such further restrictions, if any, as may be directed by the Magistrate; Provided that any exemption granted under this Clause shall cease to have effect after a conviction under Clause (b) and no exemption shall be granted to any person who has been so convicted.

(h) Any person who commits a breach of any undertaking given by

him under Clause (a) shall be punished with imprisonment which may extend to three months, or with fine, or with both. Omitted

(4) The Local Authority may, in its discretion, give compensation to any person who in its opinion has sustained substantial loss by the destruction of any property under the powers conferred by this section; but save as provided in this sub section, no claim for compensation shall lie for any loss or damage caused by any exercise of the powers aforesaid.

Section 77 Destruction of rats mice etc.

(1) The occupier of every premises, or if the premises are unoccupied, the owner thereof, shall take such steps as may be reasonably practicable for the destruction of rats, mice and other animals susceptible to plague infesting such premises.

(2) Where the Health Officer is of opinion that the occupier or owner of any premises has failed to fulfil the obligation laid on him by sub section (1), he may either

(a) serve a notice on such occupier or owner, requiring him to take such steps and within such time as may be specified in the notice, or

(b) enter upon such premises and take such steps as may be necessary for the purpose of destroying the rats, mice and other animals susceptible to plague infesting the same, after giving not less than twenty four hours previous notice to such occupier or owner.

(3) Any expenses incurred under Clause (b) of sub section (2) may be recovered by the Local Authority concerned from the occupier or owner as the case may be as if it were a tax due from him to the

Local Authority.

Section 78 Provision for treatment of venereal diseases by Local Authorities

(1) A Local Authority may, and if so required by the Government shall, make such arrangements in its local areas as may be directed by the Government for (a) the free diagnosis and treatment of persons suffering, or suspected to suffer, from venereal diseases; and (b) the prevention of infection of such diseases.

(2) The Local Authority may for the purpose mentioned in sub section (1), enter into a contract

(a) with any other Local Authority, or

(b) with a hospital or medical institution recognized by the Government in this behalf, or

(c) with the sanction of the Government, with any medical practitioner registered under the Andhra Pradesh (Andhra Area) Medical Registration Act, 1914.

Section 79 Patient to be instructed in methods of prevention of the spread of venereal disease

Every physician or other person treating, or examining with a view to treatment, a person having a venereal disease shall at the first visit

(a) impress upon such person the necessity for treatment until the cure is effected.

(b) instruct him in regard to the measures necessary for preventing the spread of the disease; and

(c) furnish him with such other information relating to the disease as may be provided by the Director of Public Health.

Section 80 Certain medical practitioners to certify as to freedom from venereal disease

Every medical practitioner registered under the Andhra Pradesh (Andhra Area) Medical Registration Act, 1941, and included in a panel published by the Government for the purposes of this section shall be bound, at the instance of a person desirous of obtaining certificate under this section and on payment of a fee of five rupees, to examine such person and if he finds that such person is not suffering from a venereal disease or has been cured thereof, to furnish to such person a certificate to that effect in the prescribed form.

Section 81 Rules for the prevention of treatment and control of certain diseases

The Government shall have power to make such rules they deem fit for the treatment of persons affected with any epidemic, endemic or infectious disease and for preventing the spread of such diseases and the rules may declare by what authority or authorities such rules shall be enforced and executed.

CHAPTER 8 Maternity and Child Welfare

Section 82

Local Authority to carry out maternity and child welfare measures:-
Every Local Authority shall be bound to carry out such measures pertaining to maternity and child welfare as may be prescribed.

CHAPTER 9 Mosquito Control

Section 83 Prohibition of mosquito breeding in collections of water

If the provisions of this section have been extended to any local area, no person or Local Authority shall, after such extension

(a) have, keep, or maintain within such area any collection of standing or flowing water in which mosquitoes breed or are likely to breed, or,

(b) cause, permit, or suffer any water within such area to form a collection in which mosquitoes breed or are likely to breed. unless such collection has been so treated as effectively to prevent such breeding.

Explanation:- Troughs used for cattle and in frequent use shall not, until the contrary is proved be deemed to be collections of water in which mosquitoes breed or are likely to breed.

(2) The natural presence of mosquito larvae in any standing or flowing

water shall be evidence that mosquitoes are breeding in such water.

Section 84 Treatment of mosquito breeding places

(1) The Health Officer may by notice in writing require the owner or the occupier of any place containing any collection of standing or flowing water in which mosquitoes breed or are likely to breed, within such time as may be specified in the notice, not being less than twenty four hours, to take such measures with respect to the same, or to treat the same by such physical, chemical or biological method, being measures or a method, approved by the Director of Public Health, as the Health Officer may consider suitable in the circumstances.

(2) If a notice under sub section (1) is served on the occupier he shall in the absence of a contract, expressed or implied, to the contrary, be entitled to recover from the owner the reasonable expenses incurred by him in taking the measures or adopting the method of treatment, specified in the notice, and may deduct the amount of such expenses from the rent which is then, or which may thereafter be due from him to the owner.

Section 85 Health Officer s powers in case of default

If the person on whom a notice is served under Section 84 fails or refuses to take the measures, or adopt the method of treatment, specified in such notice within the time specified therein, the Health Officer may himself take such measures or adopt such treatment and recover the cost of doing so from the owner or occupier of the property, as the case may be, in the same manner as if it were a property tax.

Section 86 Protection of anti mosquito works

Where, with the object of preventing the breeding of mosquitoes in any land or building, the Government or any Local Authority, or the owner or occupier at the instance of the Government or any Local Authority have constructed any works in such land or building, the owner for the time being as well as the occupier for the time being of such land or building shall prevent its being used in any manner which causes, or is likely to cause, the deterioration of such works, or which impairs, or is likely to impair, their efficiency.

Section 87 Prohibition of interference with such works

(1) No person shall, without the consent of the Health Officer, interfere with, injure, destroy or render useless, any work executed or any material or thing placed in, under, or upon any land or building, by or under the orders of the Health Officer with the object of preventing the breeding of mosquitoes therein.

(2) If the provisions of sub section (1) are contravened by any person, the Health Officer may re execute the work or replace the materials or things, as the case may be, and the cost of doing shall be recovered from such person in the same manner as if it were a property tax.

Section 88 Power to Health staff to enter and inspect premises

For the purpose of enforcing the provisions contained in this Chapter, the Health Officer or any of his subordinates not below the rank of Health or Sanitary Inspector may, at all reasonable times, after giving such notice in writing as may appear to him reasonable, enter and

inspect any land or building within his jurisdiction; and the occupier or the owners as the case may be, of such land or building, shall give all facilities necessary for such entry and inspection, and supply all such information as may be required of him for the purpose aforesaid.

CHAPTER 10 Sanitary and Buildings

Section 89 Notification of residential areas

(1) Every urban or Local Authority shall, within one year from the commencement of this Act or within such further time as the Government may allow in the case of any such authority, notify in the prescribed manner the localities, divisions, wards, streets, or portions of streets, in its local area which shall be reserved for residential purposes.

(2) An Urban Local Authority may, at any time subsequent to the issue of notification under sub section (1), notify additional localities, divisions, wards, streets, or portions of streets, as areas which shall be reserved for residential purposes.

(3) A notification issued under sub section (1) or sub section (2) may declare that operations in any factory, workshop or workplace in existence at the time when it comes into force, or that the continuance of any offensive trade carried on by any person at such time, shall be subject to such restrictions, limitations and conditions as may be specified in the notification.

Section 90 Approval of Director of Public Health and of Director of Town Planning to be obtained for notification

(1) Before issuing a notification under Section 89, the Local Authority shall

(a) obtain the approval both of the Director of Public Health and of the Director of Town Planning in regard to

(i) the suitability of the areas proposed to be reserved for residential purposes; and

(ii) the restrictions, limitations and conditions, if any, proposed to be imposed under sub section (3) of Section 19; and

(b) published in the prescribed manner for general information the situation and limits of the areas proposed to be reserved for residential purposes and the restrictions, limitations and conditions, if any proposed to be imposed under sub section (3) of Section 89, and consider all objections received by it within six weeks of such publication.

(2) In the event of a difference of opinion between the Local Authority and the Director of Public Health or the Director of Town Planning, the matter shall be referred to the Government whose decision shall be final.

Section 91 Appeal against notification

Any person aggrieved by the issue of a notification under Section 89, may appeal to the Government whose decision shall be final.

Section 92 Consequences of notification

Upon the issue of a notification under Section 89, the following consequences shall ensue, namely:

(a) The construction or establishment of any new factory, workshop or workplace, or the carrying on of any new offensive trade in the areas specified in the notification shall be absolutely prohibited.

(b) In the case of any factory, workshop or workplace in existence at the time when the notification comes into force or any offensive trade in existence at such time, the restrictions, limitations and conditions, if any, specified in the notification, shall be observed in the areas aforesaid.

Explanation (1):- If work in any factory, workshop, or workplace existing at the time when the notification under Section 89 comes into force or any offensive trade carried on by any person at such time ceases to be carried on for a continuous period of not less than one year, the resumption of work in such factory, workshop, or workplace or of such offensive trade, as the case may be, shall, unless the Government otherwise order, be deemed to be absolutely prohibited under Clause (a).

Explanation (2):- In the case referred to in explanation (1), where the period exceeds six months but does not extend to one year, work in the factory, workshop or workplace or the offensive trade, as the case may be, shall not be resumed without the written permission of the Health Officer unless the Government otherwise order.

Section 93 Extension of Sections 89 to 92 to Non urban Local Authorities

The Government may, by notification, direct that the provisions of Sections 89 to 92 shall apply to any non urban local authority specified in such notification; and thereupon, the provisions of those sections shall apply to such authority as if it were an Urban Local Authority and as if the reference to the commencement of this Act in sub section (1) of Section 89 were a reference to the date of publication of the notification under this section.

Section 94 New building not to be erected on certain sites

(1) No person shall erect a new building on any ground which has been filled up with fecal or offensive vegetable or offensive animal matter or upon which any such matter has been deposited, unless and until the Health Officer certifies that such matter has been properly removed by excavation or otherwise, or has become or been rendered innocuous.

(2) Against the refusal of the Health Officer to issue a certificate under sub section (1), an appeal shall lie to the Government whose decision shall be final.

Section 95 Cleansing of court yard, or passage used in common

(1) If any courtyard or passage which is used in common by the occupants of two or more buildings, but is not a public street, is not regularly swept and kept clean and free from rubbish or other accumulation to the satisfaction of the Health Officer, he may cause such courtyard or passage to be swept and cleansed.

(2) The local authority may recover any expenses reasonably incurred by the Health Officer under sub section (1) from the occupants of the buildings which front or abut on the court yard, or to which the passage affords access, in such proportions as may be determined by the Health Officer.

Section 96 Dwelling house unfit for human habitation to be vacated

(1) If any dwelling house or portion thereof appears to the Health Officer to be unfit for the purpose of human habitation, he may in cases not falling under Section 46, apply to the Local Authority to prohibit the use thereof for such purpose, and such authority shall make an order prohibiting the use of such dwelling house or portion for human habitation until in the opinion of the Health Officer it is rendered fit therefor:

Provided that before making an order under this sub section, the Local Authority shall give the owner and the occupier or occupiers, if any, concerned a reasonable opportunity of showing cause why it should not be made.

(2) When any order has been made under sub section (1) the Executive Authority shall cause a copy of the order to be communicated to the owner as well as to every occupier concerned, and every such occupier shall be bound to cease to inhabit the dwelling house or portion thereof, as the case may be, within thirty days after the communication of the order to him.

(3) The owner of any dwelling house or portion of a dwelling house in respect of which an order under sub section (1) is in force, shall not let or occupy or permit to be let or occupied, such dwelling house or

portion, or any part thereof, as a human habitation.

Section 97 Omitted

xxxxxx

Section 98 Definitions

In this Part -

(1) "tenement" means a dwelling house and includes -

(a) any part of a dwelling house which is capable of separate occupation; and

(b) a student's hostel under public or recognised control, but does not include a dwelling house or part of a dwelling house occupied by the owner thereof; and

(2) "landlord" means the immediate landlord of the occupier or occupiers of a tenement.

Section 99 Duties of landlord

A landlord of a tenement

(a) shall maintain it in a habitable condition; and

(b) except temporarily on occasions such as marriages and the like, shall not cause or permit the tenement to be overcrowded: Provided that no proceedings shall be instituted against the landlord in respect of any infringement by him of the provisions of this section, unless a notice in a writing that the tenement is not in a habitable condition or that it is over crowded, has been served upon the landlord or his agent by the Health Officer, and the landlord fails within such time as may be specified in such notice to take such steps as may be reasonably open to him for putting the tenement in a habitable condition or for securing the abatement of the overcrowding therein, as the case may be, including if necessary, the taking of legal proceedings for possession of the tenement.

Section 100 Power to make rules

The Government shall have power to make rules for determining.

(a) whether a tenement or any class of tenements is or is not maintained in a habitable condition within the meaning of Section 99; and

(b) whether a tenement or any class of tenements is or is not overcrowded within the meaning of that section.

CHAPTER 11 Lodging Houses

Section 101 Lodging houses to be registered

No person shall keep a lodging house or receive a lodger therein unless he is registered as the keeper thereof under this Act:

Provided that a person who immediately before the commencement of this Act was keeping a lodging house shall, for a period of three months after such commencement, be deemed to have been registered as the keeper thereof.

Section 102 Register of lodging houses

Every Executive Authority shall keep a register in which shall be entered

(a) the full name and the place of residence of every person registered as the keeper of a lodging house;

(b) the situation of every such lodging house;

(c) the number of persons authorized to be received in the lodging house; and

(d) the full names and places of residence of any persons who are to act as deputies of the keeper of the lodging house.

Section 103 Conditions of registration and of renewal of registration

(1) An Executive Authority on receiving from any person an application

for registration, or for the renewal of his registration, as a keeper of a lodging house, and on payment by him of such fee, if any, as may be prescribed for the purpose, shall register the applicant in respect of the lodging house named in the application or renew his registration in respect thereof and issue to him a certificate of registration or of renewal of registration:

Provided that the Executive Authority

(a) shall not register an applicant until the Health Officer has inspected the premises named in the application and has recommended such registration; and

(b) may refuse to register, or to renew the registration of, an applicant if he is satisfied that

(i) the applicant or any person employed or proposed to be employed by the applicant at the lodging house as a deputy or otherwise is not a fit person, whether by reason of age or otherwise, to keep or to be employed at a lodging house; or

(ii) the premises are not suitable for use as a lodging house or are not as regards sanitation and water supply and in other respects including means of escape in case of fire, suitably equipped for use as such; or

(iii) the use of the premises as a lodging house is likely to occasion inconvenience or annoyance to persons residing in the neighbourhood.

(2) The registration, or the renewal of the registration, of a person as a keeper of a lodging house shall expire at the end of the year for which it is granted unless, for special reasons, the Executive Authority considers that it should expire at an earlier date, when it shall expire at such earlier date which shall be specified in the certificate of registration or of renewal of registration.

(3) If an Executive Authority refuses to grant or renew registration under this section, he shall deliver to the applicant a statement in

writing of the grounds on which his application is refused.

(4) If at any time, a person registered as the keeper of a lodging house applies for the removal from the register of the name of any person entered therein as a deputy of the keeper, or for the insertion of the name of any other person, being a person approved by the Executive Authority, whom the keeper proposes to employ as a deputy, the executive authority shall alter the register accordingly and make any consequential alterations in the certificate of registration.

Section 104 Appeal to local authority

A person aggrieved by the refusal of an Executive Authority to grant or renew registration under Section 103 may appeal to the local authority.

Section 105 Rules for upkeep and maintenance of lodging houses

The Government shall have power to make rules -

(a) for fixing the number of persons who may be received into a lodging house and for the separate accommodation of the sexes therein;

(b) for promoting cleanliness and ventilation in lodging houses and requiring the walls and ceilings thereof to be limewashed or treated with some other suitable preparation, at specified intervals;

(c) with respect to the taking of precautions when any case of

infectious disease occurs in a lodging house; and

(d) generally for the well ordering of houses.

Section 106 Notice to be affixed outside the lodging house

(1) The keeper of a lodging house shall, if so required by the Executive Authority, affix, and keep affixed and underfaced and legible, a notice with the words "Registered lodging house" in some conspicuous place on the outside of the house.

(2) The keeper of a lodging house and every other person having the care of taking part in the management thereof shall at all times allow the Executive Authority, the Health Officer or any other person authorized by the Executive Authority or Health Officer in this behalf, to have free access to all parts of the house.

Section 107 Cancellation of registration by Court

When the registered keeper of a lodging house is convicted of any offence under this Chapter or under Section 64 or a rule or by law applicable to him made under this Act, the Court by which he is convicted may cancel his registration as a lodging house keeper and may order that he be disqualified for such period as the court thinks fit for being again registered as such keeper.

CHAPTER 12 Food Control

Section 108 Prohibition of sale of unsound food

(1) No person shall

(a) sell, expose or hawk about for sale, or keep, store or prepare for sale, any animal intended for human consumption which is diseased, or the flesh of any animal which has died on account of natural causes; or

(b) sell, expose or hawk about for sale, or keep, store, manufacture or prepare, for sale, any food or drug intended for human consumption which is unfit for such purpose or is unwholesome.

(2) In any prosecution under section (1), the Court shall, unless and until the contrary is proved presume

(a) that any animal found in the possession of a person who is in the habit of keeping animals of that class for human consumption, has been kept by such person for sale, and

(b) that any food or drug found in the possession of a person who is in the habit of keeping, storing, manufacturing or preparing such food, or drug for sale for human consumption, has been kept, stored, manufactured or prepared by such person for sale.

Section 109 Punishment for contravening provisions of Section 108, through others

(1) Any person who does any of the acts mentioned in sub section (1) of Section 108 or in Clauses (a) to (d) of sub section (1) of Section 5 of the Madras Prevention of Adulteration Act 1918 through others

employed by him whether the latter be adults or children, shall be liable to punishment for such act as if he had himself done the same.

(2) If a child under seven years of age does any of the act aforesaid, the employer of the child, or the parent or other person having the care and custody of the child, as the case may be, shall be liable to punishment for such act as if he had himself done the same.

Section 110 Flesh of dead animal not to be consumed

No person shall knowingly consume the flesh of any animal which has died on account of natural causes.

Explanation:- It shall be no defence to a prosecution under this section that the flesh was consumed as a matter of custom or as a matter of right on account of services rendered in removing dead cattle, or on any other ground.

Section 111 Importing meat into local area

(1) No person shall bring into any local area, without the permission in writing of the Health Officer thereof, the flesh of any animal slaughtered outside the local area otherwise than in a slaughter house maintained or licensed by the Government or by a local authority.

(2) Any flesh brought into the local area in contravention of sub section (1) may be seized by the Health Officer or any officer or servant of the local authority authorized by him in that behalf, and sold or otherwise disposed of as the Health Officer may direct and in case of sale the

sale proceeds shall be credited to the funds of the local authority.

(3) Nothing in this section shall be deemed to apply to

(a) cured or preserved meat, or

(b) flesh or meat carried through any local area for consumption outside the limits thereof and not stored anywhere within such limits in the course of transit, or

(c) flesh or meat brought into the local area by any person for immediate domestic consumption and not for sale:

Provided that the local authority may, by public notice, direct that the provisions of this section shall apply to cured or preserved meat of any specified description or brought from any specified place.

Section 112 Power of Health Officer to enter premises used for food trade

The Health Officer may, without notice, enter any place at any time, by day or by night, where any article of food is being manufactured, prepared, exposed or stored for sale, and inspect such article and any utensil or vessel used for manufacturing preparing or containing the same.

Section 113 Powers of Health Officer to deal with carriers of disease handling food

(1) The Health Officer may, at any time, examine any person engaged in selling or in manufacturing or preparing for sale, or in any manner whatsoever handling any article of food intended for sale.

(2) If on such examination the Health Officer finds that such person is suffering from, or harbouring the germs of, any infectious disease, such person shall not take part in selling any article of food or in manufacturing, preparing or in any manner handling any article of food intended for sale until the Health Officer certifies in writing that he is free from infection of such disease.

Section 114 Investigation of diseases caused by milk or dairy produce

(1) If the Health Officer has reason to believe

(a) that any person within the local area over which he has jurisdiction is suffering from an infectious disease attributable to milk or dairy produce supplied within such area; or

(b) that the consumption of any milk or dairy produce supplied within such local area is likely to cause any person therein to suffer from an infectious disease, the Health Officer may require the person supplying the milk or dairy produce to furnish within such time as may be fixed by the Health Officer, a complete list of all dairies (whether situated within or outside the limits of the local area) from which that person's supply of milk or dairy produce is derived or has been derived during the six weeks immediately preceding.

(2) If such supply or any part of supply is obtained, not directly from a dairy but through some other person the Health Officer may make a similar requisition upon such other person.

(3) Every person on whom any requisition is made under sub section (1) or sub section (2) shall be bound to comply therewith.

Section 115 Inspection of dairy by Health Officer

(1) The Health Officer may inspect any dairy referred to in Section 114 and the milch cattle and the employees therein, and if, on such inspection, the Health Officer is of opinion that any infectious disease is caused, or is likely to be caused, by the consumption of the milk or dairy produce supplied from such dairy he may make an order prohibiting the supply of any milk or dairy produce for human consumption from such dairy.

(2) An order made under sub section (1) shall be forthwith cancelled by the Health Officer on his being satisfied that the milk supply has been changed, or that the employees objected to by him have ceased to work at the dairy or that the cause of infection has been removed.

(3) If an order made under sub section (1) or cancelled under sub sec (2) relates to a dairy situated outside the limits of the local area the Health Officer shall also inform the local authority within whose jurisdiction the dairy is situated

(4) When an order is made under sub section (1), the Health Officer may either
